

GALLERY SCAVENGER HUNT

EAST END ARTS PRESENTS

ART & SCIENCE

APRIL 26 – JUNE 14, 2013

In art there are many objects to see, can you find these things?

There is a bee in the gallery – can you find it?

Let's go underneath the bridge.

A whalebone

Pink lobster on horseback

Intersecting circles

Time on a leaf

Peel an apple?

The great ape

Bones

I think you
can find it, if
you look !

What is your favorite figurative work of art (meaning you can recognize it as something from the real world, like *Skiff – East Marion* by Peter Heinz), and why?

What is your favorite abstract work of art (when you are unable to name anything in the picture except the color and/or forms, like *Mitosis* by Barbara Dunn), and why?

Which works of art make you feel:

Sad?

Happy?

Why?
