

SPONSORSHIP OPPORTUNITY  
DETOUR  
June 1, 2019 – August 25, 2019  
EEA Galleries at 11 W Main and 133 E Main Riverhead  
Glen Hansen Studio - Southold

DETOUR is an art exhibition showcasing a mere fraction of the many talented artists working on the East End of Long Island. It includes 15 artists who live full or part-time on the East End of Long Island and are influenced in numerous and nuanced ways by living here. Many of these artists have established careers, exhibiting for decades in New York City and elsewhere, and are in the collections of major museums. But, they have been seen very little if at all in Riverhead. Thus, it is a celebration of a new and exciting direction for the East End Arts Council and the arts of Riverhead in general. Our invitation to people traveling further out on either the South Fork or the North Fork as well as residents to take a turn, a possible DETOUR, into downtown Riverhead to see this wonderful exhibition.
